Supercalifragilistic expialadocious  
Everytime I lick your butt  
it gives me halitosis  
Everytime you fart into my  
face it makes me nauseous  
Do I wear a rubber on my tongue  
or am I just being cautious

One day when I was pumpin' iron  
at the local gym  
Some people said my pecker  
looked just like another limb  
I didn't get so big and long  
from all that iron pumpin'  
I tied the chord around it once  
when I went bungee jumpin'

I dated Dolly Parton once  
I barely got a hard-on  
Her legs were way too skinny  
and her ass had all that lard on  
Something happened when I  
started playin' with her knockers  
My pecker popped up twice as high  
like Orville Redenbacher

Too healthy with my impotence  
I turned to modern science  
My wife got so excited when  
she saw the new appliance  
Livin' with a nymphomaniac  
is kinda hectic  
My penile implant's stimulator  
is General Electric

GE we bring good things to life

When Ross Perot fucks with wife  
he doesn't do it thoroughly  
Just before she's gonna come  
the bastard pulls out early  
Now he's in the race to stay

not just to test the waters  
Unless of course the press picks on  
his other dyke bitch daughters

I had a dream the other night  
I had a special vision  
I saw Jim Bakker getting buttfucked  
in a federal prison  
I also saw 2 old ladies  
rollin' on the floor  
It was Leona Helmsley  
eating out Zsa Zsa Gabor

A super hero's had an orgy  
had everyone's dick throbbin'  
Spider man was buttfucked by  
that fag boy wonder Robin  
Supergirl and Wonderwoman  
both took off their girdles  
Got on their knees and  
buttfucked Teenage  
Mutant Ninja Turtles
