Father singing to the boyfriend:

Was it you that did the pushin  
left the stains upon the cushion  
foot prints on the dashboard upside down...

Was it you you sly woodpecker  
that got into my daughter Rebecca  
if it was you you better leave this town...  
The Reply:

Yes was I that did the pushin  
left the stains upon the cushion  
foot prints on the dashboard upside down...

But since I got into you're daughter  
I've had trouble passin water  
so I guess we're even all around...
