Sung to the tune of The Village People's "YMCA"

Young man puts the girl on her back  
and says "spread 'em"  
Sticks his nose in her crack  
since she let him  
Took his very first whiff  
He went sniff sniff  
sniff sniff sniff sniff

YMCA  
Her pussy smelled just  
like the YMCA  
His fingers felt  
just like a tuna melt  
all day

YMCA  
Her pussy smelled just  
like the YMCA  
Now don't you girls get mad  
cause you smell so bad  
I'll knock ya to your knees  
with my fermunda cheese

Oh YMCA, cha cha cha
