I put my hand upon her toe
Yo Ho Yo Ho
I put my hand upon her toe
Yo Ho Yo Ho
I put my hand upon her toe
She said
"Hey Yankee, you're way too low"
Get in, get out, quit fuckin' about
Yo Ho Yo Ho Yo Ho

I put my hand upon her knee
Yo Ho Yo Ho
I put my hand upon her knee
Yo Ho Yo Ho
I put my hand upon her knee
She said
"Hey Yankee, you're kiddin' me"
Get in, get out, quit fuckin' about
Yo Ho Yo Ho Yo Ho

I put my hand upon her twat
Yo Ho Yo Ho
I put my hand upon her twat
Yo Ho Yo Ho
I put my hand upon her twat
She said
"Hey Yankee, you're hittin' the spot"
Get in, get out, quit fuckin' about
Yo Ho Yo Ho Yo Ho

She put my cock right in her mouth
Yo Ho Yo Ho
She put my cock right in her mouth
Yo Ho Yo Ho
She put my cock right in her mouth
She said
"Hey Yankee..." (choking sounds)

I put my dick right in her nose
Yo Ho Yo Ho
I put my dick right in her nose
Yo Ho Yo Ho

I put my dick right in her nose
She said
"Hey Yankee, that's not where it goes"
Get in, get out, quit fuckin' about
Yo Ho Yo Ho Yo Ho

And now she lies in a wooden box
Yo Ho Yo Ho
And now she lies in a wooden box
Yo Ho Yo Ho
And now she lies in a wooden box
from sucking so many yankee cocks
Get in, get out, quit fuckin' about
Yo Ho Yo Ho Yo Ho

I dig her up every now and then
Yo Ho Yo Ho
I dig her up every now and then
Yo Ho Yo Ho
I dig her up every now and then
I fuck her again and again and again
Get in, get out, quit fuckin' about
Yo Ho Yo Ho Yo Ho
