Anything you want,
Any time at all,
I'm the one to call,
Because I love you, yeah!

Everyone pretends, now, baby,
Tells you they're your friend.
But you know in the end,
I will come through.

I can't believe
I finally found a love that's real.
And I can show feelin' in my heart, hey!

And I'm gonna do my best to?
How can I go wrong lovin' you?
So baby!
Anything you want now - now - now - now - now!
Any time at all,
You know I - I'm the one to call,
Because I love you - youuuu-hooo-eee baby!

Any time you need me, now - now - now,
I'll be there to please ya,
And I won't ever leave ya, mama,
'Cause I love youuuu - yeah yeah, I sure do now.

[Bridge]

I can't believe I finally found a love that's real.
But baby, ooh - I guess you're feelin' in my heart.
Oh yeah!
Oh, hey! And I'm gonna do my best, baby!
To keep it goin' strong.
Hey hey, how can I go wrong lovin' you?

So baby, anytime you need me, sugar,
Hey, I'll be there to please you now - now - now, yeah.
And I won't ever leave you,
Because I love you! Yeah!

Ooh yeah!

Anything you...
Anything you want...
Any time at all...
