tuwaitha on a moonless night  
blacked out, except for the street fires

my first raid, made up like a shawnee brave,  
I even had my head shaved

when we jumped off the deck  
white bullets tore right through my neck

I lost the reason  
I lost the reason  
I lost the reason I'm here...  
I lost the reason  
I lost the reason  
I lost the reason I'm here...

grabbed my throat, heart pumped blood flow  
until my clothes were crimson soaked

my body was wet, collapsing down  
and I lay there as the guns blazed around

sew me up again  
get me out of here

I lost the reason  
I lost the reason  
I lost the reason I'm here...  
I lost the reason  
I lost the reason  
I lost the reason I'm here...
