I had to escape, the city was sticky and cruel.  
Maybe I should have called you first, but I was dying to  
get to you.  
I was dreaming as I drove the long, straight road  
aheadâ€¦.  
Uh-huh, yeah.  
Could taste your sweet kisses, your arms open wide.  
This fever for you was just burning me up inside.

I drove all night to get to you. Is that all right?  
I drove all night, crept in your room  
Woke you from your sleep to make love to you. Is that  
all right?  
I drove all night.

What in this world keeps us from falling apart?  
No matter where I go I hear the beating of our one  
heart.  
I think about you when the night is cold and darkâ€¦.  
Uh-huh, yeah.  
No one can move me the way that you do,  
Nothing erases the feeling between me and you.

I drove all night to get to you. Is that all right?  
I drove all night, crept in your room,  
Woke you from your sleep to make love to you. Is that  
all right?  
I drove all night.

I taste your sweet kisses, your arms open wide.  
This fever for you was burning me up inside.

I drove all night to get to you. Is that all right?  
I drove all night, crept in your room,  
Woke you from your sleep to make love to you. Is that  
all right?  
I drove all night.
