Hear the lonesome whippoorwill  
He sounds too blue to fly  
The midnight train is whining low  
I'm so lonesome, I could cry

I've never seen a night so long  
When time goes crawling by  
The moon just went behind a cloud  
To hide its face and cry

Did you ever see a robin weep  
When leaves begin to die?  
That means he's lost his will to live  
And I'm so lonesome, I could cry

The silence of a falling star  
Lights up a purple sky  
As I wonder where all of you could be tonight  
I'm so lonesome I could cry

You know, I'm so lonesome, I could cry  
You know, I'm so lonesome, I could cry
