Every time I think of you  
I always catch my breath  
And I'm still standing here  
And you're miles away  
And I'm wondering why you left  
And there's a storm that's raging  
Through my frozen heart tonight

I hear your name, in certain circles  
And it always makes me smile  
I spend my time, thinking about you  
And it's almost driving me wild  
And there's a heart that's breaking  
Down this long distance line tonight

I ain't missing you at all  
Since you've been gone, away  
I ain't missing you  
No matter, what I might say

There's a message, in the wires  
And I'm sending you this signal tonight  
You don't know, how desperate I've become  
And it looks like I'm losing this fight  
In your world I have no meaning  
Though I'm trying hard to understand  
And it's my heart that's breaking  
Down this long distance line tonight

I ain't missing you at all  
Since you've been gone, away  
I ain't missing you  
No matter, what my friends say

And there's a message that I'm sending out  
Like a telegraph to your soul  
And if I can't bridge this distance  
Stop this heartbreak overload

I ain't missing you at all  
Since you've been gone, away  
I ain't missing you

No matter, what my friends say  
I ain't missing you, I aint missing you  
I can lie to myself  
And there's a storm that's raging  
Through my frozen heart tonight  
I aint missing you at all  
Since you've been gone, away  
I ain't missing you,  
No matter, what my friends say  
Aint missing you  
I ain't missing you, I aint missing you  
I can lie to myself  
I ain't missing you  
I aint missing you
