If I fall  
Right out of sleep  
Deepsea diving in the dark  
With those creatures of the deep  
Broken skis  
Over silent snow  
As the ground comes up to meet me  
Is it then you let me go  
Here we go  
To the other side  
No one comes back  
And very few survive  
Me I'm heading south  
For the borderline  
She and I  
This is it  
Nineteen sixty-five  
Twist and shout  
This ain't no luxury cruise  
And your eyes are full of doubt  
Chinatown  
Under neon lights  
Oh, she's coming and she's going  
In cheap hotels  
Here we go  
To the other side  
No one comes back  
And very few survive  
Me I'm heading south  
For the borderline  
She and I  
This is it  
It's dreamtime  
So come on  
Dreamtime  
A vision of  
Oh guitar  
Here we go  
To the other side  
No one comes back  
And very few survive  
Me I'm heading south

For the borderline  
She and I

It's dreamtime  
So come on  
Dreamtime  
A vision of  
Dreamtime  
To shake it up  
Dreamtime  
Tonight  
You might even want to  
Shake it up  
Come a little closer  
Twist and shout  
You look so good  
Come on

You're coming out

Shake it up  
Oh oh you look so fine  
Shake it up baby  
Shake it up  
Shake it up baby  
Twist and shout  
Shake it up baby  
Shake  
Shake it up baby  
Shake it up baby  
Work it on out  
Shake it up  
Shake it up  
Shake it up  
Shake it up  
Shake it up  
Come a little closer  
Twist and shout  
You look so good  
Come on tonight
