It's a revolution of a brand new day  
I couldn't feel better if it just got paid  
I sing a song, got my caffeine on  
And everything's alright

And I feel like I'm floating  
Three feet up the sidewalk  
With these converse wings  
Feel is in full swing  
And I feel like celebrating

Your love's got me heaven bound  
And the shooting stars can't hit the ground

'Cause I'm moving skyward  
Getting higher  
And like an angel in the atmosphere  
I'm digging the music from way up here

I'm getting skyward, feeling lighter  
I'm shaken off this ordinary world  
And I'm moving skyward  
Hey everybody, look at me

And I'm not even trying  
No strings, no hands, no light  
It's gravity that I'm defying  
Your love makes a better day  
And it's almost like I can levitate

'Cause I'm moving skyward  
Getting higher  
Like an angel in the atmosphere  
And I'm digging the skyline from way up here

I'm getting skyward, feeling lighter  
I'm shaken off this ordinary world  
And I'm moving skyward

And every day is a holiday  
A happy ending every night and day  
And I don't care if it's so cliché

It's what you do to me, baby  
It's what you do to me, baby, yeah

And I feel like I'm floating  
Three feet up the sidewalk  
In these converse wings  
Feel is in full swing  
And I feel like celebrating  
I feel like celebrating, yeah

Skyward  
Getting higher  
And like an angel in the atmosphere  
And I'm digging the music from way up here

I'm moving skyward, feeling lighter  
Skyward, yeah, yeah  
Skyward

Skyward, skyward, skyward
