Inside these moments waiting
Beneath the windows of
'The House of Love'
Like Romeo to Juliet above

The lights out on the freeway
They lead me back to you
For always and forever now
I'll be with you

'Cause you know that
I've come here for a reason
Tell me that there's
Something to this rhyme

Listen to your heart
Tell me what you want now
But don't let me be denied
And be my valentine, be mine

The dragonfly at midnight
The jasmine of your room
The candle light inside our eyes
The dawn will come too soon

I come to you as nothing now
But everything I am
I'm burning for you constantly
Just let me be your man

'Cause you know that
I've come here for a reason
Tell me that there's
Something to this rhyme

Listen to your heart
Tell me what you want now
But don't let me be denied
And be my valentine be mine, valentine

'Cause you know that
I've come here for a reason

Tell me that there's
Something to this rhyme

Listen to your heart
And tell me what you want now
But don't let me be denied
And be my valentine, be mine
Be my valentine, be mine
