Face of an angel, pretty eyes that shine
I lie awake at night wishin' you were mine
I'm standing here holding the biggest heartache in
town
Whenever you come around

I get a weak in the knees
And I lose my breath
Oh, I try to speak but I can't find the words

I'm half scared to death
'Cos when you smile that smile
My world turns upside down
(Yeah)
Whenever you come around

I get so helpless, I feel just like a kid
What is it about you that makes me keep these feelings
hid?
I wish I could tell you but the words just can't be found
Whenever you come around

I get a weak in the knees
And I lose my breath
Yeah, I try to speak but I can't find the words

I'm half scared to death
'Cause when you smile that smile
My world turns upside down
Whenever you come around
Whenever you come around
