I'm done
Building my own kingdom
No more
Seeking worthless idols
Like sheep we have all gone astray
We must choose this day
Whom we will serve
As for me and my house
We will serve the Lord
We will serve the Lord
Idols raised, tear them down
Cause we will serve the Lord
We will serve the Lord
To one king we bow down
As for me and my house
We will only serve the Lord
I'm done
With powerless religion
No more
Living in deception
Like sheep we have all gone astray
We must choose this day
Whom we will serve
As for me and my house
We will serve the Lord
We will serve the Lord
Idols raised, tear them down
We will serve the Lord
We will serve the Lord
To one king we bow down
As for me and my house
We will serve the Lord
We will cross over Jordan
We will claim what you promised
We will cross over Jordan
We will claim what you promised
As for me and my house
We will serve the Lord
We will serve the Lord
Idols raised, tear them down
Cause we will serve the Lord
We will serve the Lord

We will not give our hearts to another
Will not give our hearts to another
We belong to the Lord
We will not give our hearts to another
Will not give our hearts to another
We will only serve the Lord
As for me and my house
