Inside your machine I hear a whirring  
Cogs and flywheels getting into gear  
Was this was time to tell you're secrets  
Softly so that only I could hear

Strange to be this close and never touching  
Moves me far away from where we are  
I wish I knew what you were dreaming  
And I wonder if you're showing off the scar

It's true  
I know it's hard on me  
It's even harder on you

It's hard  
It's hard to be strangers  
I send my best regards  
We both changed and that's hard

We slept through one another's nightmares  
'Til we forgot what beds are for  
Now we're awake and slightly shaken  
We're seeing what's behind the bedroom door

It's no fun  
I know it's hard on me  
It's hard on everyone

It's hard  
It's hard  
It's hard to be strangers  
I send my best regards  
But we both changed and that's hard

When you said that it was love or nothing  
I didn't know the outcome was in doubt

I know it's hard on me  
It's even harder on you

It's hard

It's hard  
It's hard that we changed  
I send my best regards  
'Cause we're strangers now and that's hard  
It's hard  
It's hard
