Goth girl  
What are you wearing today  
Black again  
Goth girl  
It's such a fine day in May  
But you think it's raining  
One day I'm gonna kiss the lipstick off your mouth

Goth girl  
Why so afraid of the sun  
Do you hate the light  
Goth girl  
You should be out having fun  
And home by midnight  
I can't see your eyes behind your bangs  
As you sit there on the wall and bare your fangs  
At men like me but  
One day I'm gonna kiss the lipstick off your mouth  
I'm gonna kiss the lipstick off your mouth  
Goth girl

Goth girl  
Who is the guy on the leash  
Does he wash dishes  
Goth girl  
He looks like Pete Murphy to me  
Oh yeah he wishes  
I know he's appropriately frail  
But I bet he can't afford to take you to Nine Inch Nails  
I've got two tickets  
One day I'm gonna kiss the lipstick off your mouth  
I'm gonna kiss the lipstick off your mouth  
Goth girl

Goth girl  
I know you're supersmart  
You've turned your bad habits into art  
Your fake black magic accessories  
Have cast a real spell on me

Goth girl

When will I see you again  
It's been two weeks  
Goth girl  
I asked the rest of your friends  
But they don't speak to me  
One day I'm gonna kiss the lipstick off your mouth  
I'm gonna wipe the lipstick off your mouth  
Goth girl  
Goth girl  
Undead undead undead
