Up in Westminster, the bell fell down  
Took three hundred years to touch the ground  
Fall leaves drifted by and turned brown  
Foreign plane was downed

Dogs came running from their cold dog pound  
They leapt through the fence and ran downtown  
And the convicts turned their ship around  
They were homeward bound

Kiss me, Miss Liberty  
Take me to bed  
So I can be free as well  
Not just in my head

Kiss me, Miss Liberty  
Lift me alone  
Unchain my heavy heart  
Fill me with love  
Miss Liberty, kiss me

And the slaves were saved from their chain-gang  
Knives cut men down, just about to hang  
Lost love returned just like a boomerang  
And it was I who sang

Kiss me, Miss Liberty  
Take me to bed  
So I can be free as well  
Not just in my head  
Miss Liberty, kiss me  
Kiss me, kiss me, kiss me, oh

Freedom, show me to your foreign shore  
Lay me in your arms at your front door  
I can't face confinement anymore  
I won't be ignored

Kiss me, Miss Liberty  
Take me to bed  
So I can be free as well  
Not just in my head

Kiss me, Miss Liberty  
Lift me above  
Unchain my heavy heart  
Kill me with love  
Miss Liberty, kiss me  
Kiss me, kiss me, kiss me, oh
