[A] Who did you say it was brother?  
Who was it fell by the [E] way?  
When [A] whiskey and blood run together  
Did you hear [E] anyone [A] pray?

### CHORUS

I didn't hear nobody pray, dear brother  
I [D] didn't hear nobody [A] pray  
I heard the crash on the highway  
But, I didn't hear [E] nobody [A] pray.

When I heard the crash on the highway  
I knew what it was from the start  
I went to the scene of destruction  
And a picture was stamped on my heart.

There was whiskey and blood all together  
Mixed with glass where they lay  
Death played her hand in destruction

But I didn't hear nobody pray.

I wish I could change this sad story  
That I am now telling you  
But there is no way I can change it  
For somebody's life is now through.

Their soul has been called by the Master  
They died in a crash on the way  
And I heard the groans of the dying  
But, I didn't hear nobody pray.

### CHORUS
