want to check it out, oh  
got the beat drop, here we go  
babay

dump bo di  
bomp bo di  
gotta  
bomp bo di

dump bo di  
bomp bo di  
badda  
bomp bo di

we slide a little bit faster  
didn't even bother asking her  
now their headed for disaster  
but i hope it all works out

he said that she said nothing  
and that then-a-meant something 'bout  
he's a heart a fan and a pothel  
but i hope it all works out

because it looks like something we head for naturally  
but when shed the fan is like actually  
she wants to finally jump the gun out-of-buns  
but got to run-run to the next one  
into the ground, next time around  
i hope it all works out

its like

dump bo di  
bomp bo di  
gotta  
bomp bo di

dump bo di  
bomp bo di  
badda

bomp bo di

dump bo di  
bomp bo di  
gotta  
bomp bo di

dump bo di  
bomp bo di  
badda  
bomp bo di
