Yeah I was stuck on you  
A stupid thing to do  
It was almost perfect  
You almost told the truth  
I needed you to know  
It was real for me  
You have one foot out the door so casually  
You let the feeling go  
You let the feeling change  
It was almost right but  
I can't live this way

I've waited just for you  
I waited and you know  
I got better things in store  
But I don't think you know  
Oh oh, yeah yeah  
I don't think you know  
Oh oh, yeah yeah

With a little bit of beat (?)  
You don't understand it  
I don't think you see  
I know what I am  
Ain't enough for me  
I gave you a shot, I  
Wish I've had it now  
Cause I know what I got, what I got, what I got, yea

I'ma let this feeling go  
And I did not need to know  
And (?)  
But I don't think you know  
Oh oh, yeah yeah  
I don't think you know  
Oh oh, yeah yeah  
I don't think you know  
Oh oh, yeah yeah  
I don't think you know  
Oh oh, yeah yeah
