We get lost in the circus  
We get lost in the maze, baby  
We get lost on the surface  
We get lost in the waves, the waves, baby  
Baby

So what's the deal with the freeze frame  
Do we have to stay the same  
Maybe we can change our ways  
Maybe we can change

Capture the moment let the moment be free  
It's just you and me  
It's just you and me  
Baby  
Baby

We get lost in convenience  
We get lost in the masquerade, baby  
Entertain we say with much impatience  
The ticket price we pay isn't all we loose along the way,  
maybe  
Maybe

If you cant take no good picture of me  
Past moments are just pictures you see  
We just got this moment to breathe  
Just breathe, baby  
Baby

We get lost in the circus  
We get lost in the maze, baby  
We get lost on the surface  
We get lost in the waves, the waves baby  
Baby
