When they call your name
Will you walk right up
With a smile on your face
Or will you cower in fear
In your favourite sweater

With an old love letter
I wish you would

I wish you would
Come pick me up
Take me out
Fuck me up
Steal my records
Screw all my friends
They're all full of shit
With a smile on your face
And then do it again

I wish you would
When you're walking downtown
Do you wish I was there
Do you wish it was me
With the windows clear and the mannequins eyes
Do they all look like mine?
You know you could

I wish you would
Come pick me up
Take me out
Fuck me up
Steal my records
Screw all my friends behind my back
With a smile on your face
And then do it again

I wish you would
I wish you'd make up my bed
So I could make up my mind
Try it for sleeping instead
Maybe you'll rest sometime
I wish I could
