"Thief in The Sky"

Spanish bar on an American street
You're the one I like the most
Holding hands by the sea
Like holding onto a ghost
Eyes like headlights
Headed straight into me
Eyes like headlights

Soft as kiss in summer heat
You put the storm
The storm inside of a heart of concrete
Morning comes around like a thief in disguise
Time like taillights
Always moving away from me
Time like taillights

I stay up
I stay up every, every night
Thinking of
Thinking of you

Disappear into the sun
Time tied with sad goodbyes
Far away love down telephone line
Aeroplane is a thief in the sky

Eyes like headlights
Over the cliff into the sea
Eyes like headlights
You're the one I want
For me

I stay up
I stay up every, every night
Thinking of
Thinking of you

Thief in the, thief in the
Thief in the, thief in the sky
Thief in the, thief in the
Thief in the, thief in the

Telephone wire tie me up
Tear me up and say goodbye
Disappear into the sun

Aeroplane is a thief in the sky
