(tony haselden)

One two three step two three  
Whenever they're waltzing  
He counts out loud  
She's tried to teach him  
But the rhythm doesn't reach him  
So they bounce through the crowd

But oh won't you look at them smiling  
Not worried that they're out of time  
He steps on her toes as she giggles and goes on  
'cause love is forgiving and kind

Their hearts are dancing  
To the love song that's played from the moment they  
met  
Their hearts are dancing  
In time with a tune love won't ever forget

Their gold anniversary  
He toasted the family  
And said, time flies when it's fun

And here's to my sweet wife  
Who's made ours a great life  
I'm the luckiest one  
And though there was no music playing  
He reached out and she took his hand  
He counted to three as they waltzed he could see  
There's still magic in those golden hands

Their hearts are dancing  
To the love song that's played from the moment they  
met  
Their hearts are dancing  
In time with a tune love won't ever forget

Their hearts are dancing  
To the love song that's played from the moment they  
met  
Their hearts are dancing

In time with a tune love won't ever forget
