I can't feel those chains any longer, can you?  
I'm footloose and free  
I can't see the sense in red, white and blue  
It's still Union Jack to me  
We're drifting in the ocean alone now  
Like a beautiful ship at sea  
I can't feel those chains any longer  
I love this big country

So I'll raise my glass to the Diggers  
Jump like a kangaroo  
Stare 'em in the eye like an emu  
I'll always be true blue  
Have you ever spoken to a gumtree?  
What am I trying to say to you?  
Love this place as half as much as I do  
And your a true blue too

Hey!  
I can't feel those chains any longer can you?  
I'm footloose and free  
I can't see the sense in red, white and blue  
It's still Union Jack to me  
We're drifting in the ocean alone now  
Like a beautiful ship at sea  
I can't feel those chains any longer  
I love this big country

So come on lets get on with the shearing  
Make a little wool and wine  
There's no gold at the end of the rainbow  
No fruit without the vine  
You've gotta be fair dinkum  
Coz that's the way it has to be  
Or there won't be enough to build a doghouse  
C'mon sing this song with me

So I'll raise my glass to the Diggers  
Jump like a kangaroo  
Stare 'em in the eye like an emu  
I'll always be true blue

Have you ever spoken to a gumtree?  
What am I trying to say to you?  
Love this place as half as much as I do  
And your a true blue too

Hey!  
Glory to Australia  
Glory to the green and gold  
We've come a long way since Botany Bay  
And we're nearly two hundred years old  
Glory to Australia  
Glory to the green and gold  
We've come a long way since Botany Bay  
And we're nearly two hundred years old
