It was before the dollar - and before the pill  
I went to this rock dance - in Swan Hill  
I arrived in me E.K. - hair slicked back  
And I saw this sheila in tangerine socks - hair pitch  
black  
And she walked right by me  
And she said, you wanna boogie with m' baby  
You wanna move with m' baby, you wanna groove with  
m' baby  
Well I strolled across the dance floor - loves fool  
And I looked her right in the eye - real cool  
And I said nuffin'  
She said, you wanna boogie with m' baby  
You wanna move with m' baby, you wanna groove with  
m' baby  
Doo-do-do-doo-do, do-do-do-do-do-do-do-do-do-do, do-  
do-do-do-do  
Do-do-do-do-do-do-do-do-do-do, do-do-do-do-do-do  
Do-do-do-do-doody-doodoody-do  
Well, I didn't let her go, she wasn't real rough  
And no-one else came near 'er, 'cause I was too tough  
And the band was called Curly
