havin' a barbi' by the river
with no one else around
a tropical honeymoon knokin' a 4x down
she was standin' in the water eating a pumpkin scone
when aarrccmm "splash" she was gone

and they were doin' the crocodile roll
the woman and the reptile
doin' the crocodile roll
in the middle of the river

down came her husband
with a gun and a carving knife
to slaughter every crocodile for taking his darlin's life
yyyyou ccant ggo round eating queenslanders
yyyou over grown ggg goannas
i il i'll turn you all into shoes
aarrccmm oooooo "splash", it was in the news

and they were doin' the crocodile roll
the husband and the reptile
doin' the crocodile roll in the middle of the river

down came his blood hound, with mangy curly hair
he cought the scent and away he went, bum in the air
then the dog got carried away and ran out on a log
when aarrccmm, rowr, guess what, no more dog

and they were doin' the crocodile roll
the canine and the reptile
doin' the crocodile roll in the middle of the river

down came a wild pig, rootin' all about
the little swine drank the wine and realy piged it out
then the crocodile chased him round
then the little pig said "up yours" aarrccmm,
reee reee reee, in the old croc's jaws

and they were doin' the crocodile roll
the porker and the reptile
doin' the crocodile roll in the middle of the river

theres no moral to this story, just a brand new dance
grab your partner by the neck and swing your crocodile
pants

dip your toe in the water, are you ready for a mess
swirl your tail around the floor, go on take a chance

now your doin' the crocodile roll, stirin' up the mud
doin' the crocodile roll in the middle of the river

they were doin' the crocodile roll, stirin up the
mudcrabs
doin' the crocodile roll in the middle of the river

aarrccmm oooooo
