Can't wait until you come next time
'Cause wasting time with you is so fine
Nothing else occupies my mind
'Cause lying here with you girl's so damn awesome

Make me feel so long
Don't make me wait for so long
Make me feel so long
Don't make me wait for so long

Make me feel so long
Don't make me wait for so long
Make me feel so long
Don't make me wait for so long

Hey, don't be frightened
Hey, don't be frightened

All I've got to do is to put love in music, thinking of you
(Hey, don't be frightened)
All you've got to do is to put love in music, just like we
do
(Hey, don't be frightened)
All I've got to do is to put love
(Hey)

Can't wait until you come next time
Because wasting time with you is so fine
Nothing else occupies my mind
'Cause lying here with you girl's so damn awesome

Make me feel so long
Don't make me wait for so long
Make me feel so long
Don't make me wait for so long

Make me feel so long
Don't make me wait for so long
Make me feel so long
Don't make me wait for so long
