I don't wanna go to bed now  
I've got a reason  
All my friends are partin', dartin'  
Yeah, I wanna be there with you  
I'll bet they're dancing  
Drinking alcohol  
Don't wanna go to bed now  
And I've got a reason  
I'll bet they're dancing  
And it's fulfilling my heart  
I'd better be running  
It's almost quarter to nine  
I'm gonna (wow! wow! Wow!)  
I'm gonna take what is mine  
Time is on my side!

For a while I though I touched the sky  
December night was fully mine  
I took it just like that

For a while I though that you are the night  
Want you to know but don't know why  
The size of a lonely heart

I don't wanna go to bed now  
And I've got a reason  
All my friends are partin', dartin'  
Yeah, I wanna be there with you  
I'll bet they're dancing  
Singing old-time songs  
Don't wanna go to bed now  
And I've got a reason  
I'll bet they're dancing  
And it's fulfilling my heart  
I'd be better running  
It's almost quarter past nine  
I'm gonna (wow! wow! Wow!)  
I'm gonna take what is mine  
The time is running up!

'Cause I won't be here all night long  
I wanna sing my only song

Before I fall asleep

And I won't stay there all night long  
I wanna sing my only song  
'Cause I could take the wrong street
