Manuel, oh Manuel!  
What you've done to Consuel  
Has she left the other night?  
Gone away with all the cats  
My love Manuel  
Everything was going well  
Seems like yesterday  
We've been dreaming of a girl

My love Manuel please don't ask me if I'm well  
You're just my boy Manuel  
Please just go

Gotta do something  
Please do something  
Sunny romances, handclaps, dancing  
Gotta do something  
Please do something  
Lying around here, please do something

Let's meet at night and do something  
Go outside, ride a bike at night and do something  
Your heart will find a way in  
You will see a thousand yellow leaved will turn green  
She just sat down in her garden  
Raised her hand and she felt the ground around  
trembling  
Let's meet at night and do something  
Go outside, ride a bike at night and so someting
