We're never complementary
With these unexpected entries

We're never complementary
With these unexpected entries
We move straight ahead before we
Refuse to tolerate our glory

We're never complementary
With these unexpected entries
We move straight ahead before we
Refuse to tolerate our glory

Two things to say
Because Canada's so far away
Two things to say
That is where I want to lay

Two things to say
Because Canada's so far away
Two things to say
That is where I want to lay
