And I said to her  
Girl, I can't tell you  
What your life is all about

I suppose it's something  
That will kill you  
Second after you find out

But I know that knowing  
You is a great experience  
Greatest I will have

And I know  
The only one I ever truly loved  
Was my cat

I'm gonna try a little harder  
I guess it's worth tryin' sometimes

Do you know?  
The truth's not beautiful at all  
I wish I hadn't known

Buying new cd's  
Listening to music  
Going out with friends  
And watching movies

Time will kill us  
The best thing I can do is  
Spend a whole day  
Killing time with you

Buying new cd's  
Listening to music  
Going out with friends  
And watching movies

We'll be happy ever after  
Listening to music  
Hoping one day we will  
Enter happiness
