You know I stay out late at night
I might have too much to drink
People say that it ain't right
But I don't care what they think

You know I've lived a long time
And some how I made it through
So save your breath baby
Cause I'm gonna do what I'm gonna do

Your got your opinions
You know that I got mine
But you think if you can change me baby
Please don't waste your time

You know I've lived a long time
And some how I made it through
So save your breath baby
Cause I'm gonna do what I'm gonna do

Folks are always in my business
I know they just trying to help
But life don't have instructions
So I've figured it out myself

Oh I've lived a long time
And some how I made it through
So save your breath baby
Cause I'm gonna do what I'm gonna do

So save your breath baby
Cause I'm gonna do what I'm gonna do

Can't change me now girl
I'm gonna do what I'm gonna do
What I'm gonna do is play these blues you dig
