Well if the house is rockin' the walls might just fall
down

Well if the house is rockin' the walls might just fall
down

We got to raise the house rent or else get out of town

Well the joint is jumpin' and we already finished a keg
You know the joint is jumpin' and we already finished a
keg

I'm dancing with a lady whose got some big fine legs

We're gonna raise the roof raise the rent
Raise the roof raise the rent
Raise the roof raise the rent
We're gonna raise the roof raise the rent
We gonna raise the house rent or else get out of town

So rock it baby let's get really sent
So rock it baby let's get really bent
We're gonna raise the roof and we'll all go raise the
rent

Ya when times get tough your friends will help you out
Ya when times get tough your friends will help you out
So kick in some money and kick your blues right out

We're gonna raise the roof raise the rent
Raise the roof raise the rent
We're gonna raise the roof raise the rent
Raise the roof raise the rent
We're gonna raise the house rent or else get out of
town

Well if the house is rockin' the walls might just fall
down
Well if the house is rockin' the walls might just fall
down
We're gonna raise the house rent or else get out of
town

We're gonna raise the roof raise the rent
Raise the roof raise the rent

We're gonna raise the roof raise the rent
Raise the roof raise the rent
We're gonna raise the house rent or else get out of
town
