Well up until now (up until now)
I've been alone
Well up till now (up until now)
I've been on my own
Well I've found (I've found) a love (a love)
I know (I know) I won't die (won't die)
I got a happy feeling here inside (inside)

Well up until now (up until now)
Life's been a bore
Well up until now (up until now)
I have lived before
Well I'm glad (I'm glad) to say (to say)
That I (that I) don't lie (don't lie)
I got a happy feeling here inside (inside)

She took me by surprise one day
When I was a a-feeling low
She asked if she could go my way
My heart could just not tell her no

Well up until now (up until now)
Not seen worthwhile
Well up until now (up until now)
I been seldom smiled
It was hard (so hard) to find (to find)
A love (a love) so kind (so kind)
I was a broken hearted up until now (till now)

She took me by surprise one day
When I was a-feeling low
She asked if she could go my way
My heart could just not tell her no

Well up until now (up until now)
Not seen worthwhile
Well up until now (up until now)
I never seldom smiled
It was hard (so hard) to find (to find)
A love (a love) so kind (so kind)
I was a broken hearted up until now (till now)

I was a broken hearted up until now
