Last night I dreamed I was at a concert  
So many people, you had to stand in line  
One night only in Soul Heaven  
I didn't wanna wake up  
I was having such a good time  
All of The Bar-Kays were tuning up on stage  
Jimi had his guitar, gettin' ready to play  
Sam was singing "A Change Gonna Come"  
Otis was there, sittin' at the dock of the bay

There was a party in Soul Heaven  
Superstars from the past  
Standing room only, so you better hurry  
Buy your ticket cause they're going fast

Train & Miles (J. Coltrane, took mean solo  
Jr. Walker had 'em dancing in the isles  
They stood up when Jackie sang "Lonley Teardrops"  
When Sammy (Davis, Jr.) danced, the crowd went wild  
I think I saw Ella standing with Mahalia  
Backstage with Elvis with his blue suede shoes  
It started raining, everybody just stayed there  
To hear Z.Z. sing the "Down Home Blues"

Well there's a party in Soul Heaven  
Superstars from the past  
Standing room only, so you better hurry  
Buy your ticket cause they're going fast

There's a party in Soul Heaven  
Superstars from the past  
The great Al Jackson was a holding down the beat  
When Marvin sang "Let's Get It On", they jumped to  
Their feet  
Everyone started screaming and gave a standing  
ovation  
When the curtain came up with the mighty Temptations  
King Curtis blew the "Soul Serenade"  
Thought I saw Lady Day (B. Holiday) sittin' in the  
Shade  
I got two lovers and I ain't ashamed

Lord I love the way sweet Mary (Wells) sings  
It was getting kinda late, it was time to go  
Tupac and Biggie (Smalls), they closed the show  
(Boo! )  
I didn't wanna wake up, I was having such a good time  
I didn't wanna wake up, I was having such a good time  
Pearl Bailey, she was there  
Duke and Count, they were there  
Woah Hathaway (Donnie), I saw him there  
Dizzie and Satchmo, I saw 'em there  
It was a party in Soul Heaven  
You shoulda been there  
You shoulda been there  
Everyone was having such a good time  
Soul Heaven  
Soul Heaven
