I don't need nobody  
Shaking my tree  
Save all your love  
Save it just for me  
You kiss me but the  
Feeling just aint there, no, no  
You're saving the real thing for Jody  
And you're using me just for a smile  
I can see through that

You come running, running  
Running, running, running to me  
Each time Jody makes you cry  
Lord, have mercy

You're nothing but a fool for Jody  
Well, I'm a bigger fool to watch the  
Tears as they fall from your eyes  
All right, now

I'm gonna tell you something  
I'm tired of standing in for Jody  
(I got to keep you for myself)  
Oh, tired of standing in for Jody  
(I got to keep you for myself)  
You see, a man can't be a man  
Playing second fiddle to someone else

One day, one day soon, baby  
You're gonna wake up and see  
Jody's just using you, baby  
The same doggone way

But let me tell you something  
I'm so tired, I've had enough  
Cause you call his name  
When we're making love

Each day, I love you  
A little bit more  
How do you think I feel

When Jody comes around  
And I have to go

I don't want nobody  
Shaking apples in my tree  
Save all your love  
Give it just for me  
Oh, yeah, now

Stop using me  
Using me, using me  
Lord, have mercy

I'm tired of standing in for Jody  
(I got to keep you for myself) oh  
I'm so tired of standing in for Jody  
(I got to keep you for myself)  
A man can't be a man playing  
Second fiddle to someone else

I bet somebody's waiting out there  
Tonight, watching their watch  
Trying to see what time it is  
Jody was supposed to pick you up  
Take you to the movie show

Then he called and  
Told you it was too late  
I got another date, honey  
Can't see you no more

Don't you get tired  
Of waiting on Jody  
Standing in, standing in  
And waiting
