Don't you wanna steal it (steal it)  
I wanna steal it (steal it)  
Let me see you steal it (steal it)

I've got to see you somehow  
Not tomorrow, right now  
I know it's late, I can't wait  
Come on, steal away  
Won't you let me steal it

Don't wanna start thinking  
I might change my mind  
Everybody's sleeping  
Let's not waste any time  
I know it's late, I can't wait  
Girl, you got to wanna steal it

I know it's wrong  
Meeting you this way  
There's no other way  
That I can be with you

If only your folks  
Would approve  
Things like this, you and I  
Wouldn't have to do, no, no

Steal it, lord, have mercy  
I got to steal it  
Soembody out there  
They wanna steal it  
They wanna steal it

I know it's late, I can't wait  
Won't you help me steal it

I know it's wrong  
Meeting you this way  
There's no other way  
That I can be with you

If only, if only, if only  
Your folks would approve  
Things like this, we  
Wouldn't have to do, no

I won't tell  
I won't tell nobody else  
I'm gonna keep it to myself

I know it's late  
Don't you hesitate  
Come on and steal away  
Let me steal your love

??? trying to criticize me  
But you would be doing  
The same thing that I'm doing

Everybody wanna steal away  
Lord, please don't criticize me  
I'm trying to steal a little love  
Don't you want to steal away

Don't you want to steal away  
Don't you want to steal away
