JUST BECAUSE (by Johnnie Taylor)

V1

Just because I raise a little sand  
I might be tired, lady, try to understand  
That doesn't mean that you done  
something wrong  
(Just because)  
And just because when we have a little fight  
And I walk out the door and stay out all night  
It doesn't mean that I won't be  
coming home  
(Just because)

Chorus:

I love you  
I love you  
What else can I do or say?  
(Just because)  
Honey, I love you I love you  
Whoa, I love you  
What would it take to make you want to stay?

V2

Just because when sometime you want to make love  
Girl, I tell you not tonight, try to understand  
I work hard all day  
Darling, I'm doing the best that I can  
(Just because)  
But if you want to go  
It's up to you  
But I can tell you right now my whole world is going to  
be misty blue  
I'm begging you please, please, please,  
please stay.  
Honey don't you hear me?

Chorus:

I love you  
Oh, I love you  
What else can I do or say?  
(Just because)  
I love you

Oh, I love you, I love you, I love only you  
What would it take to make you want to stay?  
(Just because)  
Oh, I love you, I love you  
(Just because)
