Hold me hold me never let me go until you told me told  
me what I want to know

And then just hold me hold me make me tell you I'm in  
love with you

Thrill me thrill me walk me down the lane

Where shadows will be will be hiding lovers just the  
same

As will be will be make me tell you I'm in love you

They told us to be sensible with our new love

Don't be fool thinking this is the last we'll find

Oh but they've never stood in the dark with you love

When you take me in your arms and drive me slowly  
out of my mind

Kiss me kiss me and when you do I know that you will  
miss me miss me

If we ever say I do so kiss me kiss me make me tell you  
I'm in love with you

Hold me hold me never let me go until you told me told  
me what I want to know

And then just hold me hold me make me tell you I'm in  
love with you
