We got married in a fever hotter than a pepper sprout  
We've been talkin' bout Jackson ever since the fire went  
out  
I'm goin' to Jackson I'm gonna mess around  
I'm goin' to Jackson look out Jackson town

Well go on down to Jackson go ahead and wreck your  
health  
Go play your hand you big talkin' man and make a big  
fool of yourself  
You go on to Jackson go comb your hair  
Yeah I'm gonna snowball Jackson see if I care

Well now when I breeze into that city people gonna  
stoop and bow  
All those girls gonna make me show 'em what they  
don't know how  
I'm goin' to Jackson you turn loose my coat

I'm goin' to Jackson goodbye that's all she wrote

When they laugh at you in Jackson and I'll be dancin' on  
the pony keg  
Well I'll lead you round town like a scalded hound  
With your tail tucked between your legs  
You go to Jackson you big talkin' man  
And I'll be waitin' in Jackson behind my Japan fan

Oh we got married in a fever hotter than a pepper  
sprout  
We've been talkin' bout Jackson ever since the fire went  
out  
We're goin' to Jackson and that's a fact  
We're goin' to Jackson ain't never comin' back  
We got married in a fever...
