Baby, hear it on

Baby please, baby please, come back to me
Baby please, baby please, come back to me
Because I am a prisoner of love
And I need your love to set me free

I got up early this morning
About the break of dawn
And I look in the bed beside me
And guess what, I was all alone

I cried, please, baby please, come back to me
Because I am a prisoner
And I need your love to set me free

I know my tears are wasted
But just see I cry in vain
And I know my woman left me
But our love was just the same

Please, I cried, please come back to me
Because I am a prisoner of love
And I need your love to set me free

I got up early one morning
Before the break of dawn
I look in the bed beside me
My woman, she was gone

I said, please, baby please, come back to me
Because I am a prisoner
And I need your love to set me free
Oh, how I need your love
