

## Johnny Adams "Release Me"

Please release me  
Oh, let me go, oh, yes

You see I, I don't  
Love you anymore, no, no

To live  
To never lie is a sin  
Oh, release me  
If you don't need me  
If you don't want me  
Oh, baby, why don't you  
Just let me love again  
Oh, let me love again

I, I said I found  
A new love, dear  
Oh, let me tell you  
About her right now

I'll always, said I'll always  
I'll always want that  
Girl right near  
Oh, let me tell you how  
Sweet she is, oh, yeah

Oh, yeah, her lips  
You get that  
Her lips are warm  
While yours are cold  
They're so doggone cold  
I wonder what's  
The matter, baby

But, girl, girl  
Release me  
If you don't want me  
If you're just trying  
To use me

Why don't you just  
Why don't you just

Why don't you just  
Let me go

Maybe you didn't hear what  
I said that time, baby  
Wanna say it one more time

Her lips are warm  
While yours are cold  
Please, release me, baby  
Release me, baby  
Girl, why don't you, oh  
Just let me go  
(Let me go)
