A friend of mine gave me  
Ten little bottles of  
Some special stuff that he  
Had brewed up himself

So I took it and hid it  
Down in my basement  
But my wife found out about it  
And she told me to  
Get rid of it or else

Since I didn't like the  
Way she said, or else  
I went down there and proceeded  
To carry out her instructions

I set the ten little  
Bottles on the drainboard  
Picked up the first bottle  
Pulled the cork out of it  
And poured it down the sink  
That is, all except one  
Little swaller, which I drank

I picked up the next bottle  
And I pulled the cork out of it  
And I poured it down the sink  
All except one little swaller  
Which I drank

I picked up the next bottle  
And I pulled the cork out of it  
And I poured it down the sink  
All except one little swaller  
Which I drank

I picked up the next bottle  
And I pulled the cork out of it  
And I poured it down the sink  
All except one little swaller  
Which I drank

I picked up the next cork  
And I pulled the sink out of it  
And I poured it down the bottle  
All except one teensy weensy  
Little swaller, which I sank

I, I, I usually have a little  
Difficulty with this number  
You see I come from a  
Great long line of stinkers  
Uh, drinkers

I had an uncle that  
Drank a quart a day  
Every day of his life  
Heck, me I spell more than that

No kidding  
He could drink a quart  
And not even stagger  
Heck, he couldn't even move

We told him, we says  
You better quit drinking that stuff  
It's gonna kill you  
Sure enough, it killed him  
He died last year at the  
Age of a hundred and two

Well, don't laugh  
We dug him up last week  
He looks better than y'all do now

A guy back here asked me, he says  
What's the difference between  
A drunk and an alcoholic  
Well, I'll tell you  
Us drunks don't have to attend all  
Them dang old meetings, you know

I don't like your bartenders here  
In Nashville, I'll tell you that  
I says to this guy, give me  
Something cold and full of gin  
He says, take my wife

You see, you got me all confused  
How many bottles have I got left  
How many have I got, five  
You're seeing double  
There's only two and a half

I want you to know one other thing  
You better not say nothing  
Against my wife, buster  
Cause I'll have you know  
I'll have you know that I  
Got the wifest nice in  
The whole United States
