Hang in there, baby
(We'll make love tonight)
Don't be afraid
(That'll make it all right)

I know just how you feel
I wanna hold you tight
We've almost got it made

Now that we've caressed
A kiss so warm and tender
I can't wait til we reach
That sweet moment of surrender

We'll hear the thunder roar
Feel the lightning strike
At a point we both decided to
Meet the same time tonight

Hang on in there, baby
Hang on in there, darling
I'm gonna give you more
Than you ever dreamed possible

Don't be afraid, baby
Sweet virgin of the world
We can't help but make it
Because there's true
Love between us, girl

So let us touch that cloud
That ever girl dreams of
Oh, we're almost there, darling
We're truly making love

Hang on in there, baby
Please don't let me down
Please don't destroy
This new joy we found

What's that now, baby
What's that you say

Something's eating at you
And it's bout to get away

Oh, don't fight it, baby
Open up the door cause
That's the key to the freedom
That we've both been working for

Let it go, baby
Let it go, honey
Oh, right there, right there
Baby, don't you move it anywhere

Go, baby
Let it go, honey
Oh, right there
Baby, don't you move it
Don't you dare

Hang on on there, baby
Hang on in there, darling
