Someday we'll be together
Someday we'll be together

You're far away
From me, my love, oh baby
But just as sure, sure, baby
As the star shine above, I know, I know

Someday we'll be together
Yes, we will
Someday we'll be together

My love is yours
Right from the start
You possess my soul
Own my heart

Someday we'll be together
Yes, we will, yes, we will
Someday we'll be together, oh baby

A long time ago, baby
I made a big mistake, honey
Oh I, girl, I said goodbye

Ever, ever since that day
Ever since that day
All I wanna do is cry, cry

I long for you
Every, every night, sweet baby
I long, long to kiss your lips
Oh, kiss me, baby

I know someday we'll be together
Yes, we will, yes, we will
Someday we'll be together
Someday we'll be together
Someday
