Now I will tell you buster that I ain't a fan of Custer
And the General he don't ride well anymore
To some he was a hero but to me his score was zero
And the General he don't ride well anymore
Now Custer done his fightin' without too much excitin'
And the General he don't ride well anymore
General Custer come in pumpin' when the men were
out a huntin'
But the General he don't ride well anymore
With victories he was swimmin' he killed children dogs
and women
But the General he don't ride well anymore
Crazy Horse sent out the call just to Sitting Bull and Gall
And the General he don't ride well anymore
Now Custer split his men well he won't do that again
Cause the General he don't ride well anymore
Twelve thousand warriors waited they were
unanticipated
And the General he don't ride well anymore
It's not called an Indian victory but a bloody massacre
And the General he don't ride well anymore
There might have been more enthusin' if us Indians
had been losin'

But the General he don't ride well anymore

General George A.Custer oh his yellow hair had lustre

But the General he don't ride well anymore

For now the General's silent he got bombarded violent

And the General he don't ride well anymore

Oh the General he don't ride well anymore
