The first time ever I saw your face, I thought the sun
rose in your eyes.

And the moon and stars were the gifts you gave,

To the dark and the endless sky, my love.

And the first time ever I kissed your mouth,

I felt the earth move through my hands.

Like the trembling heart of a captive bird

That was there at my command.

And the first time ever I lay with you,

I felt your heart so close to mine.

And I know our joy would fill the earth,

And last till the end of time, my love.

The first time ever I saw your face.
