"I Beg Your Pardon"

I beg your pardon, but don't I know your name?
Are you the girl I met 2 years ago?
If so, you sure have changed?
I beg your pardon, but I'm still in love with you
My nights have been so lonely without you near
My days have been so blue

You gave me your love to build a kingdom just for 2
Just like a fool, I ran away & left your love so true
I beg your pardon, but I'm still in love with you

(instrumental, with backing "ah's")

You gave me your love to build a kingdom just for 2
Just like a fool, I ran away & left your love so true
I beg your pardon, but I'm still in love with you
