[FIRST VERSE:]

Well, you're my friend  
And can you see  
Many times we've been out drinking  
Many times we've shared our thoughts  
Did you ever, ever notice, the kind of thoughts I got  
Well you know I have a love, for everyone I know  
And you know I have a drive, for life I won't let go  
But sometimes this opposition, comes rising up in me  
This terrible imposition, comes blacking through my  
mind

[CHORUS:]

And then I see a darkness  
Oh no, I see a darkness  
Do you know how much I love you  
Cause I'm hoping some day soon  
You'll save me from this darkness

[SECOND VERSE:]

Well I hope that someday soon  
We'll find peace in our lives  
Together or apart  
Alone or with our wives  
And we can stop our whoring  
And draw the smiles inside  
And light it up forever  
And never go to sleep  
My best unbeaten brother  
That isn't all I see

[CHORUS:]

And then I see a darkness  
Oh no, I see a darkness  
Do you know how much I love you  
Cause I'm hoping some day soon  
You'll save me from this darkness
